

Barnsley Football Club

Job Description

Job title:	Intern – Performance Analyst
Reports to:	First Team Analyst
Department:	First Team
Location:	Barnsley FC, Oakwell Stadium, Grove Street, Barnsley. S71 1ET
Date:	April 2026
1. Job Purpose	We are seeking a motivated and enthusiastic Football Performance Analyst Intern to join our First Team Analysis Department. This role offers an excellent opportunity for individuals aspiring to work in elite football to gain hands-on experience within a professional environment, while developing practical performance analysis skills and contributing to the day-to-day analysis of the First Team.
2. Specific Tasks and Responsibilities	<ul style="list-style-type: none"> • Assist in filming training sessions and matches • Support the coding and clipping of games using analysis software • Contribute to the development of analysis tools and software used by the Club. • Help prepare pre-match and post-match reports • Conduct basic opposition and player analysis • Organise and maintain video and data libraries • Assist with matchday set-up and breakdown of analysis equipment as required. • Work closely with coaches to support performance insights • Demonstrate a willingness to learn and apply feedback from senior analysts and coaching staff. • Available for all home and away games • Willing to travel for overnight stays • Undertake any other tasks relevant to the holistic development of the club. • Engage in CPD activities organized by the Club and other providers. • This job description is not intended to be exhaustive, and the post holder is also required to undertake any other duties as may reasonably be required by the First Team Analyst or any other senior leader/director within the club, appropriate to the level of the post.
3. Your Development	<p>You will gain:</p> <ul style="list-style-type: none"> • Practical experience in a real football environment • Exposure to industry-standard analysis tools (e.g., Hudl, Wyscout, Matchtracker) • Understanding of match analysis workflows • Opportunity to observe and contribute to First Team training and matchday environments • Mentorship from experienced coaching and analysis staff • Opportunity to build a professional portfolio • Development of transferable skills including communication, organisation, and teamwork • Experience that strengthens future applications for roles in football, sport, or data analysis
