

Wycombe Wanderers FC

Club Doctor — Job Share

We are seeking an experienced Club Doctor to join our First Team medical department on a part-time, job-share basis — 40% FTE, covering Mondays and Tuesdays including all home and away fixtures falling on those days.

Reporting to the Head of Medical and based primarily at the Marlow Road Training Ground, the successful candidate will share responsibility for the medical care of our First Team players, working alongside a second Club Doctor and the wider medical and performance team. Start date: week commencing 28th September 2026.

Send a CV and covering letter expressing your interest and suitability, to
jobs@wwfc.com

Title your email "First Team Club Doctor – Job Share"

Applications will close on 1st September 2026. We will interview suitable candidates prior to that time and reserve the right to close the application process early should we find the right person.

The Club

VISION

Our departmental 'Why'

To deliver medical and performance support that promotes individual player development, engagement and growth in support of a winning environment.

Strategic direction

A long-term vision under new ownership, aligning football, performance, and academy pathways to drive sustainable, competitive success.

Infrastructure investment

Redevelopment of the Marlow Road Training Ground, with upgraded gym, medical, and performance facilities, alongside a new integrated First Team and Academy facility in planning.

Performance & innovation

Investment in expert staffing, integrated technologies, and data to support evidence-informed decision making.

Academy development

A modern, progressive academy with a clear pathway to the first team, aligned through consistent performance standards and individual player development.

THE OPPORTUNITY

Be part of the journey

Join a forward-thinking club at an exciting moment in its evolution

- Work within a forward-thinking, ambitious club
- Contribute to a rapidly evolving performance environment
- Help shape systems, culture, and standards
- Develop professionally within a growing organisation

Club Doctor — Job Share

To help us realise our ambition we're not just looking for people to fill roles; we're searching for those who are passionate about contributing to an ambitious performance environment.

You will lead on matchday medical cover for weekday First Team fixtures and on stress testing of emergency action plans, deliver and coordinate the athlete screening programme including FA cardiac screening, oversee medicines governance across club sites, and lead on illness prevention.
